Hey there - so I just learned that we can get you this info in the first week of August. Two weeks is the best we can do with so many requests for data right now. And I'm not even going to make you submit the request through the CPRA portal!

Go Dodgers!!

Hi Elena,

Hope you've been hanging in there.

I need some info about encampment clean ups. Can you tell me the number—and dates—of all clean ups that BOS did at the Gower/101 encampment in January and February 2020, and the same information for May and June 2020. This would include CARE clean ups, trash pick ups, etc. Please specify the type of clean up on each date.

Call if you have any questions.

Regards,

Joel
